[redacted]
Director's Meeting

Thursday, 29 November 1951

HR70-14

Mr. Dulles mentioned yesterday's NSC Senior Staff meeting and their discussions on China. He will draw up a draft memorandum for the Director.

Mr. Dulles again brought up the question of Gen. Willoughby and recent publicity and his controversy with the press. He feels that Willoughby can no longer be used [redacted]. The Director said he [redacted] would merely introduce Gen. Barber to the highest authorities [redacted] the DCI is not too worried about this one trip. Mr. Wisner stated that he was worried for fear Willoughby might disclose his relationship [redacted]. The DCI will try to reach Gen. Willoughby by telephone.

[redacted]

Mr. Dulles suggested that we should get out some paper on the conclusions of Gen. Wyman, [redacted] in regard to their trips to the Far East. The Director said he wanted to see Gen. Wyman's report and also those [redacted]

[redacted]

The Director asked whom we talked to in State Department about China. Mr. Wisner said either Mr. Rusk or John Allison. The Director wants someone in CIA to talk to them about the conversation reported in the Log with [redacted]. He is worried about [redacted] Mr. Dulles will get all available reports on [redacted] together at the time of the General's return.

Director's Meeting
29 November 1951

 Mr. Jackson reported that Tracey Barnes is going to be  deputy.

Mr. Wolf stated that Mr. Schaub of the Bureau of the Budget had completed his analysis of our budget situation. Messrs. Schaub and Statts would like to discuss this with the Director some time after the next meeting of the PSB at which our projects will be presented.

The Director stated that he must get his memorandum on China to Mr. Lovett ready by the first of the week. He will probably use the conclusions of Gen. Wyman,  for this.
